Co-Ed Dressing Room Policy

HOCKEY CANADA CO-ED DRESSING ROOM POLICY

The following is the policy of Hockey Canada with respect to co-ed dressing:

Hockey Canada firmly believes in accommodating both genders in our great game. We further believe in balancing this goal with the safety, privacy, modesty and wishes of ALL our members without compromising the aspects of camaraderie, social integration and bonding inherent in a team sport. This policy attempts to meet all these goals while providing a safe and respectful environment for our participants.

1. **Hockey Canada stresses the importance of coaches in ensuring both male and female players have equal access to pre and post team sessions and to all team related activities.**
2. Hockey Canada recognizes the physical limitations of some facilities and encourages our members to work with local facility management to ensure that appropriate changing facilities are available to both genders.
3. Hockey Canada allows co-ed dressing room situations to exist at the Initiation Program, Novice and Atom levels, 5-10 years of age provided participants in a co-ed situation either arrive in full equipment or wear at a minimum gym shorts or long underwear as well as a full t-shirt (no tank tops) all of which must be in good condition and without holes/tears.
4. At the Pee-Wee (11 years old) level and above the following conditions will apply in all co-ed team environments:
 - Females and males will change in separate rooms
 - Both genders shall congregate in one dressing room fully prepared to participate in the game/practice not more than 15 minutes prior to the scheduled ice time unless otherwise indicated (to be there earlier) by the coaching staff.
 - The lesser represented gender shall depart the dressing room not more than 15 minutes after the game/practice unless otherwise indicated (to stay longer) by the coaching staff.
 - The gender in the majority shall not begin changing, helmets, gloves and skates excepted, prior to the departure of the lesser represented gender.

Co-Ed Dressing Room Policy

- When necessary, due to facility limitations, dressing and showering shall be done in shifts with the gender in the majority dressing and showering first. Once the room with shower facilities has been fully vacated the lesser represented gender may use the shower facilities.

It is the belief of Hockey Canada that these provisions adequately address issues of team unity/camaraderie and provide for the modesty/privacy of all participants.

Note: Hockey Canada Branches that have mediated Human Rights settlements within their Province/Territory with respect to specific co-ed dressing room parameters are exempted from this policy within their jurisdictions and may continue to adhere to previously mediated settlements.

Two Deep Cover

8.4 Two Deep Cover

- Throughout the hockey season appropriate player supervision should be a priority for all Clubs, Districts and Operating Areas (CDOA's) and their teams.
- As such, Hockey Edmonton endorses the use of the “Two Deep Method” of supervision that is mentioned throughout Hockey Canada HCSP material and Hockey Canada coaching materials. This list describes the “Two Deep Method”.
- It is recommended that these guidelines are followed by all.

Electronic Recording Devices

7.8 Electronic and Recording Devices

- Use of electronic devices at sanctioned Hockey Edmonton events for the express purpose of taking, recording, and storing of inappropriate images and videos is not permitted.
- Use of electronic devices for the purpose of capturing game film for personal or team use shall comply with the policy of the venue. (City of Edmonton)
- Hockey Edmonton Discipline and Appeal Committees will not entertain receipt of, nor use of video of any nature or source in their review and decision of matters before them.

SPECIAL EVENT REQUESTS – PLEASE READ!!
Published Thursday, December 12, 2013

As of December 11, 2013, Hockey Edmonton Board has moved that Special Event Requests are no longer required. It is up to each organization to ensure that they review the Hockey Alberta Sanctioning Guidelines to see what is covered and what is not.

[Hockey Alberta Sanctioning Guidelines](#)

Hockey Canada's insurance is designed to cover the normal hockey activities associated with games and practices ... travel directly to and from. Social activities are not covered. Activities such as going bowling, tobogganing, to a movie, to another sporting event, participating in another sporting activity, for example, are not covered while attending a tournament or at home attending to league activities or practices. Parents, siblings, friends, guests, etc. are not covered under Hockey Canada's insurance at any time.

If the event is not an approved event as per the guidelines, the liability while participating in an unsanctioned event will fall to personal liability insurance plans. Everyone should be aware of their personal liability while participating in a team event. Please exercise safe and responsible practices, common sense etc. in all activities you plan.

EFHL Game Ending and Playoff Overtime Procedures

Procedure for Ending Games - (5 minute / 2 minute Method)

When there are five minutes remaining in the assigned ice slot and there are two minutes or less remaining in the hockey game, the game shall be completed by playing out the remaining time to a conclusion of no time remaining. (See example #1)

When there are five minutes remaining in the assigned ice slot and there are in excess of two minutes remaining in the hockey game, the game clock shall be set for 2:00. These two minutes of stop time shall be played to a conclusion of no time remaining using the final five minutes of the ice slot. The referee shall direct the timekeeper to set the clock at 2:00 at the stoppage of play which occurs as near as possible to five minutes of remaining ice time. (See example #2)

Any penalties which are being served or any delayed penalties shall continue to be served in the last two minutes of the game in accordance with the appropriate Hockey Canada penalty time procedures. As an example, when the clock is set at 2:00, a player has served 40 seconds of a minor penalty, such player will serve the remaining 1 minute and 20 seconds. The penalty would expire with 40 seconds remaining in the game unless the opposing team scored prior to the expiration of the penalty. If the penalty created a manpower advantage, then the penalty would expire with the scoring of a goal.

If play is stopped at anytime, and because the extenuating circumstances for the stoppage prevent resumption of play prior to there being less than five minutes remaining in the assigned ice slot, then play shall not be resumed. If such extenuating circumstances develop during the reset 2:00 or the final two minutes of game time, then the game would end when the assigned ice slot expires. Such conditions would prevail when there is a serious injury where the injured player cannot be removed from the ice, when there is a facility equipment failure or when other such extenuating circumstances exist.

The foregoing procedure shall apply to all LEAGUE games in the Hockey Edmonton's "BB" program in the categories of Midget, Bantam, PeeWee, Atom and Novice where stop time is employed as the normal timing procedure.

Examples:

1. Ice slot ends at 19:45. At 19:40 there are two minutes or less remaining in the hockey game. Continue play in order that the game will end at or before 19:45.
2. Ice slot ends at 19:45. At 19:40 there are 5 minutes and 21 seconds remaining in the game. Set the clock to 2:00 and continue play in order that the game will end at or before 19:45.

Playoff Overtime Procedures

1. Overtime is played to sudden victory. Teams may remove goalkeepers at any time except when defending a penalty shot. Teams may change "on the fly" at any time. To commence overtime, each team will place six (6) players (one player may be a goaltender) on the ice. The teams will not change ends. The clock will be set for one (1) minute. Overtime shall be stop time.
2. Overtime shall be played in one (1) minute increments. At the end of one (1) minute, the horn will sound and each team will remove one player from the ice. Play will be resumed **immediately** at the nearest face-off spot to the place where play ended in the same zone where the play ended when the horn sounded. The face-off spot considered nearest, must be in the same zone as the zone in which the play ended. The timekeeper will stop the clock and sound the horn after each one-minute increment until the teams are each reduced to two players (one player may be a goaltender) on the ice.
3. Once each team has been reduced to two players, the clock will be set to six (6) minutes. There will be no further reductions to the number of players on the ice and the one (1) minute periods will end. Time will continue until the six (6) minute period has expired unless one team scores a goal. If still tied at the end of the six (6) minute period, consecutive ten (10) minute periods will be played with two players per team (one player per team may be a goaltender) until a winner is determined. To commence play in each ten (10) minute period, the face-off will be held at the centre ice spot.
4. No time outs are permitted.
5. Penalties incurred in regulation time and not completely served in regulation time, shall carry over into the overtime period and will be completed in overtime unless the game is ended.
6. Time penalties, incurred and not expired, which may leave a team short or short-handed during the overtime when a team is reduced to two players, will result in penalty shot(s) being awarded to the non-offending team for each unexpired time penalty. If due to time penalties, a team is reduced to two (2) players and another time penalty is incurred, the offending team will serve the most recent penalty and a penalty shot(s) will be awarded the non-offending team for each unexpired time penalty. At no time will a team be required to have less than two (2) players on the ice. Should each team have an unexpired time penalty when the teams are reduced to two (2) players, a penalty shot will be awarded each team. The team with the least time to serve will shoot first (if this cannot be determined, the home team will shoot first). Each team must shoot. If the teams are still tied the overtime will continue. If multiple time penalties remain, a penalty shot will be awarded for each unexpired time penalty until all penalty shots have been taken. All penalties incurred with two (2) players on the ice shall result in awarding of penalty shots in lieu of time penalties.

Minor Hockey Week Overtime Procedures

Minor Hockey Week overtime procedures are IDENTICAL to playoff overtime procedures EXCEPT

1. After the four one minute intervals have been finished, to begin the six minute interval the faceoff will return to the centre ice spot.

- e) An affiliated player must come from a lower tier, division or category.
- f) Initiation and Novice aged players will NOT be used as affiliate players.

6.1.0 Using Affiliate Players

- a) Before an affiliate player can play or practice for a team, written permission must be obtained from the affiliate player's head coach or designate each and every time the player is needed.
 - If a controversy over a player exists, Hockey Edmonton (Zone 8) will not recognize the affiliation until the matter can be resolved internally.
 - A player who has not been granted permission for affiliation will be deemed an ineligible player and subject to Hockey Alberta regulations (refer to Hockey Alberta Section A Minor Hockey 12.6).
- b) The team using the affiliate player is required to identify the player on the game sheet as an "A" (affiliate) and with the player's team number (i.e. NW482).
- c) Affiliates may be used for league, playoffs, provincial championships, exhibition and tournament games.
- d) Other than for goaltenders, affiliate players **may not** be used in Minor Hockey Week games.

 - The team roster size will be reduced by one for each player that is under a suspension.

- a) In addition to those mentioned below, the respective leagues may have additional regulations with respect to use of affiliates.

6.1.3 Affiliation in Junior Hockey

- a) Except for players who are affiliating with Junior A or WHL teams, Hockey Edmonton players cannot affiliate to teams outside of Hockey Edmonton (Zone 8)
 - Only Edmonton based Junior B and C Clubs will be allowed to affiliate Hockey Edmonton (Zone 8) club or district player. Affiliations to Junior will be considered only after all Hockey Edmonton Athletic Club and District teams have had the opportunity to affiliate said player.

Scorekeeping

Scorekeeping

Correctly filling out the score sheet while in the time keepers box is essential to being able to correctly fill out the necessary items on the back end of the Hockey Edmonton website. Please ensure that all managers within your organization are knowledgeable about scorekeeping so that they are able to assist the parents on their team who will be tasked with that position.

Please note parents should not engage with the referees unless it is related to game scorekeeping. Timekeepers and scorekeepers are encouraged to speak to referees to ensure their intent of a call/penalty is correct. They should not “GUESS” the penalty being called but seek clarification. Example: Is the penalty a 2 minute minor or a 5 minute major plus a game misconduct?

It is the scorekeepers responsibility to ensure accurate game information is recorded on the game sheet for entering in RAMP by the team manager.

Referees must print and sign their names on the game sheet following the game.

Game Sheet Management

Game Sheet Management

Game Sheet Management is the process on the back end of the Hockey Edmonton website where managers will enter the score sheet information. League Governors and Deputy League Governors will be responsible for ensuring this information is recorded correctly after each game. Teams have 48 hours after their game has finished to enter the required data. Should that not be the case, the League Governor will receive an email after 48 hours notifying you that a game has not been finished, the League Governor then follows the EFHL game sheet management sanctions.

In completed games where there is a major penalty or a minor penalty and game misconduct and a game incident report has been completed, the game sheet and incident report need to be emailed immediately to the League Governor and Hockey Edmonton Discipline to allow the proper suspension notifications to be sent out in a timely manner.

Penalties and Suspensions

Penalties

- As mentioned above, we are managing the Individual Accumulative Penalty System through the back end of the website. This system allows for the tracking of penalty minutes as well as suspendable penalties.
- When a suspendable penalty is entered, the Discipline Chair will receive an email notification and advise the League Governor and Category Director of the suspension.
- In the event that one of your players should reach their determined penalty minute threshold you will receive email notification from the Discipline Chair to the League Governor and Category director with the attached suspension notification to be forward to the Head Coach. However please ensure you are periodically checking the penalties so you are aware of who may be approaching that threshold.

Remember: It is very important that the Timekeeper and Scorekeeper ensure the penalties recorded on the game sheet are ACCURATE. It is important that the team manager to enter the correct and complete offences into the RAMP system.

Module 3
